Shaner Baby No. 19

Finally is Named

LYNCHBURG, Va., Aug. 11.—

Stewart Elbridge Shaner is the
name finally selected for baby No.
19 of Mr. and Mrs. Fred O. Shaner
here and the entry has been made
in the family record.

A month ago, having found him-
self out of names, Mr. Shaner,
through the local press, sent out
an S. O. S. call to his friends, for
the name that should be given to
the child. The name that was
publicly brought suggestions
from all over the East and South,
but it remained for M. S. Stewart,
an architect of Rome, Pa., to sug-
gest the name that the parents
rested upon. The Stewarts were
early Virginia settlers.

FATE OF RENT LAW

TO BE DECIDED IN

SENATE TUESDAY

Ball Says Tenants Fear

Serious Results if

Bill Is Killed.

By unanimous consent, the Sen-
ate yesterday fixed next Tuesday as
the date for final action on the Dis-
trict rent amendment. The speakers
will be limited to ten minutes each
after 2 o'clock.

Senator Poindexter, of Washing-
ton State, launched into a long dis-
cussion of the measure when the
action was taken on request of
Senator Ball, of Delaware, author
of the law which the amendment
seeks to extend seven months from
the date of its expiration, October
21. Senator Poindexter is bitterly
opposed to the extension of the law,
declaring it is unconstitutional, so-
cialistic and unconstitutional.

Sensors, Lenroot, of Wisconsin;
Nelson, of Minnesota; McKellar, of
Tennessee; and Gooding, of Idaho,
and others spoke in behalf of the
action yesterday. Senator Fletcher,
of Florida, who assailed the
measure on several previous occa-
sions, spoke against it again yester-
day, declaring war emergencies
had passed and it was time for
the government to take its fingers
out of private business.

The Senate District Committee, of
which Senator Ball is chairman, re-
ceived many more letters from ten-
ants declaring they are still suffer-
ing injustices at the hands of prop-
erty owners and fear serious re-
sults if the Rent Commission is
abolished in the fall. Senator Len-
root said the commission has dealt
justly with the owners of property
and has served to protect renters
who have no recourse except through
the commission.
